

Internship, Clinical Directors Network (CDN) – New York, NY

Clinical Directors Network (CDN) is a not-for-profit, practice-based research network devoted to conducting research with medically underserved populations and providing education to the clinicians who serve them.

We are looking for highly motivated undergraduate and graduate students for our fall, spring, and summer semester internship program. Training will be provided and we are flexible in working with students' weekly academic schedule. For more information, please email us or to apply, please send your resume and cover letter to operations@CDNetwork.org.

This internship is ideal for students interested in the following fields:

- Health Education
- Web and Social Media
- Audio/Visual
- Marketing and Public Relations
- Clinical Research
- Grant Writing
- Public Health
