

ADVANTAGES OF USING AMBULATORY BLOOD PRESSURE MONITORING IN CLINICAL PRACTICE AND RESEARCH

THE ROCKEFELLER UNIVERSITY

CENTER FOR CLINICAL AND TRANSLATIONAL SCIENCE (CCTS)

Presented by:

Iddo Ben-Dov, MD, PhD

Howard Hughes Medical Institute

Laboratory of RNA Molecular Biology

Rockefeller University

The projects described were supported by the National Institutes of Health - National Center for Advancing Translational Sciences (NIH-NCATS) Grant Award #8 UL1 TR000043 and by a 2011 CTSA Administrative Supplement Award. Its contents are solely the responsibility of the authors and do not necessarily represent the official view of NIH or NCATS.

Audio Setup

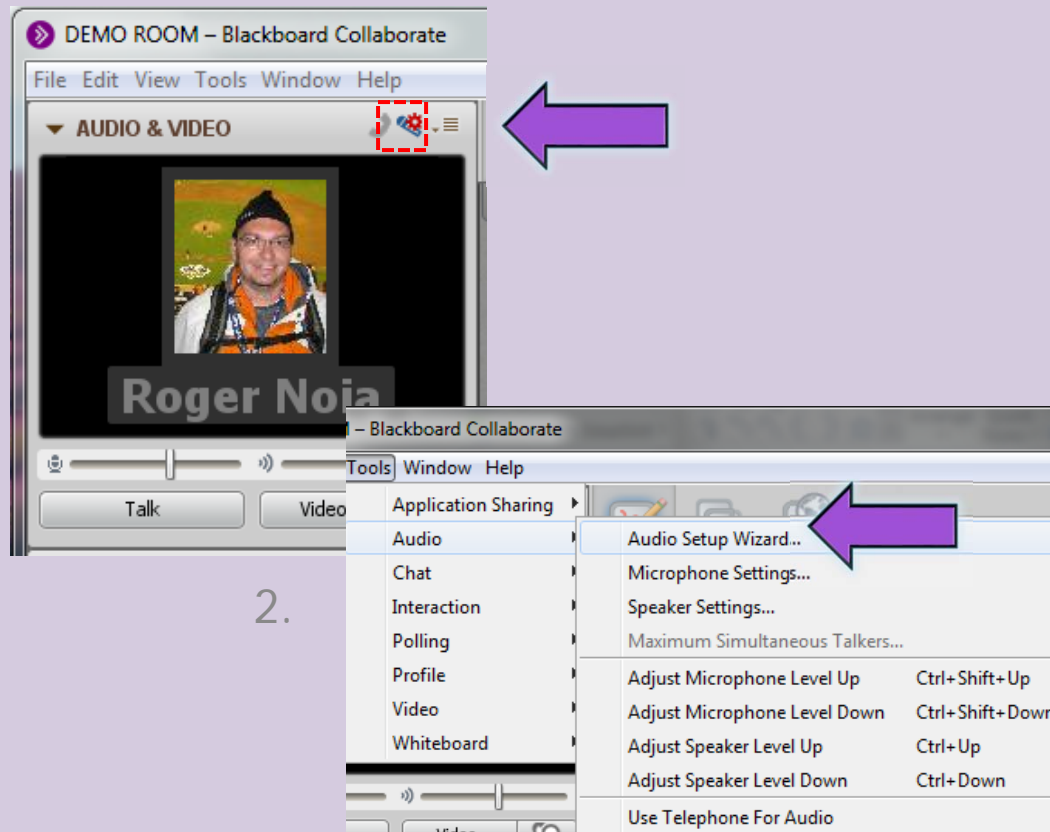

Configure your PC for Audio

Configure Your PC

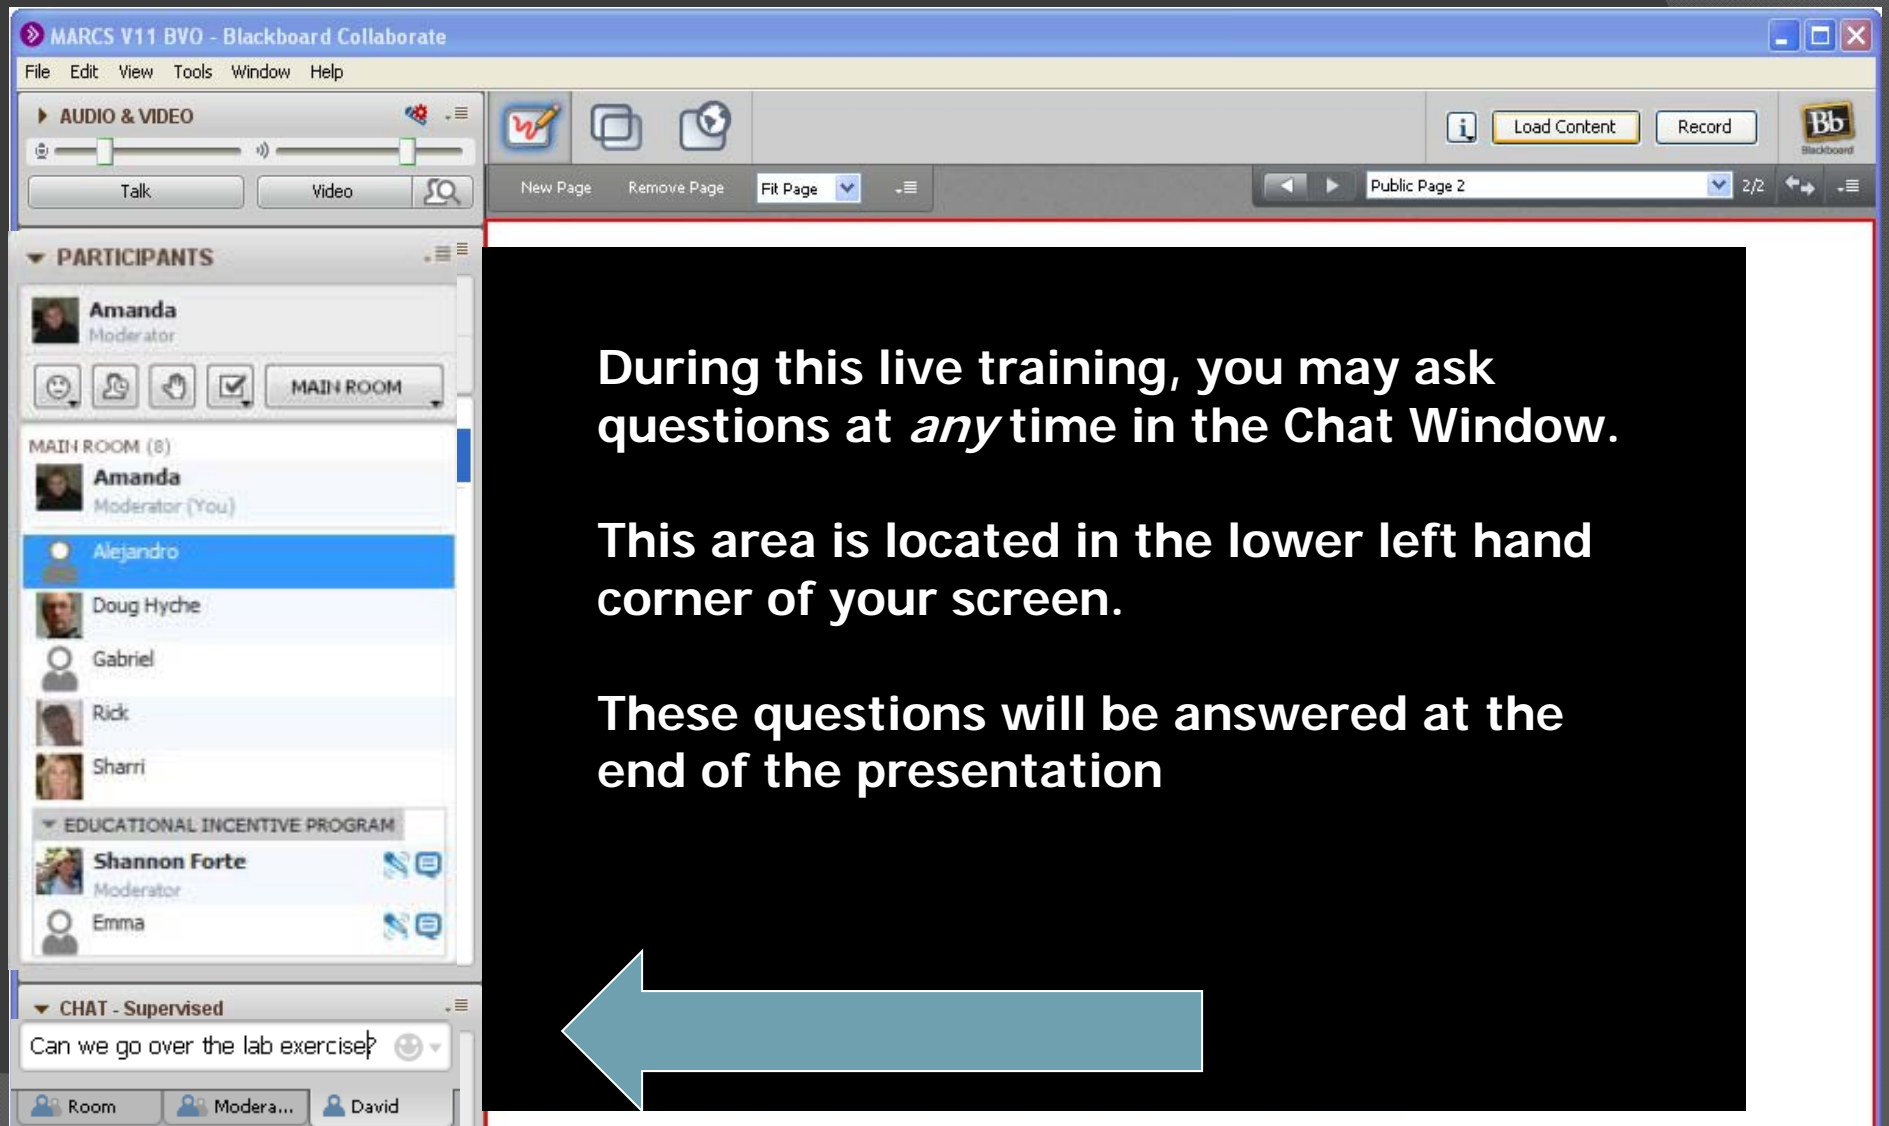

Click the Microphone/Gears icon or
Go to: Tools > Audio > Audio Setup Wizard

1.

2.

Chat

The screenshot displays the Blackboard Collaborate interface. The top menu bar includes 'File', 'Edit', 'View', 'Tools', 'Window', and 'Help'. Below this is the 'AUDIO & VIDEO' section with 'Talk' and 'Video' buttons. The 'PARTICIPANTS' panel on the left lists users: Amanda (Moderator), Alejandro, Doug Hyche, Gabriel, Rick, Sharri, Shannon Forte (Moderator), and Emma. The 'CHAT - Supervised' panel at the bottom shows a message: 'Can we go over the lab exercise?'. A large blue arrow points from the chat panel towards the main presentation area on the right.

During this live training, you may ask questions at *any* time in the Chat Window.

This area is located in the lower left hand corner of your screen.

These questions will be answered at the end of the presentation

To receive e-mail announcements of CDN's upcoming sessions please send an email to:

eLearning@CDNetwork.org

With "Subscribe" as the subject of the message

If you have any technical difficulties please contact CDN Help, displayed in the main chat room.
