

Clinical Directors Network, Inc. (CDN) is dedicated to the continuing training and education of clinicians & staff in Health Centers serving low-income and minority populations and other primary care practices.

### CME UPCOMING WEBCAST SCHEDULE

**Thursday, August 9, 2018, 1:00 PM-2:30 PM EST**

#### Innovations in Patient Engagement to Improve Patient Safety in Primary Care: Warm-Handoff

**Speaker: Kelley M. Baker, M.A.**, MedStar Health, MedStar Institute for Quality and Safetys

**A live webcast sponsored by:** The Agency for Healthcare Research and Quality under contract to MedStar Health Research Institute (Contract HHSP233201500022I/HHSP23337002T), and Clinical Directors Network, Inc. (CDN)

**Friday, August 31<sup>st</sup>, 2018, 1:00 PM-2:30 PM EST**

#### Incorporating Patient Voice into Meaningful Research: A Case Example

**Speaker: Amy Eisenstein, PhD**, Director of Research and Continuous Quality Improvement, CJE SeniorLife

**A live webcast sponsored by:** AllianceChicago and Clinical Directors Network, Inc. (CDN) This webcast is funded through a Patient-Centered Outcomes Research Institute (PCORI) Eugene Washington PCORI Engagement Award (6043-ACCH)

**Tuesday, September 11, 2018, 12:00 PM-1:00 PM EST**

#### What Do Leaders Do?

**Speaker: Erin E. Sullivan, Ph.D.**, Research Director, Center for Primary Care at Harvard Medical School, Lecturer, Department of Global Health and Social Medicine, Harvard Medical School

**A live webcast brought to you by:** The Harvard Medical School Center for Primary Care and the Clinical Directors Network, Inc. (CDN)

**Friday, October 12, 2018, 10:00 AM-11:30 AM EST**

#### PrEP Awareness among Special Populations: Women and People who Use Drugs

**Speaker: Jaimie P. Meyer, MD, MS, FACP**, Assistant Professor of Medicine and Assistant Clinical Professor of Nursing, Yale School of Medicine

**A live webcast sponsored by:** Ciatelli Associates Inc., Centers for Disease Control and Prevention (CDC, Grant No. 1U65PS004408-1), and Clinical Directors Network, Inc. (CDN).

### ENHANCING COMMUNITY HEALTH CENTER PCORI ENGAGEMENT (EnCoRE) [www.CDNetwork.org/EnCoRE](http://www.CDNetwork.org/EnCoRE)

Clinical Directors Network, Inc. (CDN) in partnership with National Association of Community Health Centers, Association of Asian Pacific Community Health Organizations, Institute for Community Health, South Carolina Primary Health Care Association, and Access Community Health Network, aims to adapt, enhance, disseminate, and implement an existing curriculum designed to educate Health Center patients, clinicians, and other staff in Patient Centered Outcomes Research (PCOR) through use of webinars, homework assignments, and skill-building resources. Metrics have been established to evaluate the extent to which the goal of increasing the number of "research engaged" Health Centers has been achieved. This goal is being achieved by strengthening infrastructure in comparative effectiveness patient centered outcomes research, delivering online training content, disseminating training resources, and by providing a supportive learning community to enable Health Center Teams to develop and submit high quality competitive research for funding. For more information, email or call the eLearning Department : eLearning@CDNetwork.org, (212) 382-0699 ext. 243.

This work was partially supported through a Patient-Centered Outcomes Research Institute (PCORI) Program Award (NCHR 1000-30-10-10 EA-0001). With support from: N<sup>2</sup> PBRN – Building a Network of Safety Net PBRNs Funded by: Agency for Healthcare Research and Quality (AHRQ) Grant No. 1 P30 HS 021667.

To facilitate FQHC involvement in research, including CBPR, [www.CDNetwork.org/NACHC](http://www.CDNetwork.org/NACHC) provides training resources to help FQHCs build the skills needed to design, implement, analyze, publish and disseminate research with their community stakeholders.

### eCLINICIAN PROJECT

Sponsored by the New York City Department of Health and Mental Hygiene (NYCDOHMH) and Clinical Directors Network, Inc. (CDN).

- Provides free, public health-friendly customized handheld computers (PDAs) with clinical decision-support software to primary care clinicians working in NYC Community Health Centers.
- Download the FREE clinical decision-support tools to your Smartphone, Tablet, Notebook, PDA or Computer now and learn more about how each tool can enhance clinical care through CDN's online webcasts!
